

## Our Mission:

To connect the next generation with careers in maritime, shipping, and logistics while fostering a lasting appreciation for the industry, its people and its impact on the environment and the economy.

## Our Events:

We partner with industry experts, schools, local leaders, and businesses to reach thousands of students annually — offering insight, inspiration, and pathways to future careers in maritime. Our students and educators get access to interactive activities, immersive tours, and take-home materials, delivering a unified, consistent message across the industry.

## Who We Are

We Work the Waterways is a national nonprofit education organization that introduces students to the maritime, shipping, and logistics industries through hands-on exploration, classroom-based learning, and direct engagement with professionals. Our work brings together students, educators, industry leaders, schools, federal governments, and businesses to foster awareness, workforce readiness, and long-term opportunity.
